Get Prepared For Next Season....

1. Don't stop playing tennis, especially when you can play outside for free! The best way to improve is to practice and play as much as you can.
2. Play USTA tournaments in the summer. In this packet are some of the tournaments that are within close proximity to the Cedar Rapids area.
3. Stay in shape all year long. This is something that both coaches would like to see improvement on. We will be working more on conditioning next year during the season, but you can get a head start by staying in shape all year long.
4. Take lessons, either group or private. Private lessons are a great way to improve quickly, but not as affordable as group lessons. Coach Wundram will be taking on five athletes who are interested in taking private lessons at an affordable rate. Otherwise there are other options in the Cedar Rapids area such as Coe College and Westfield Tennis Club.
5. Check the website on a regular basis. There will be postings on upcoming events (tournaments, camps, team meetings).
